## PA PA JOE'S POKER RUN

### Motorcycle Poker Run to help Jordan get an Action Track Wheelchair.

All proceeds will go to Jordan who is a 16 year old from Mosinee who is suffering from brain and spinal tumors.

Our sons name is Jordan, he is a 16 year old boy that is struggling with brain and spinal tumors. He's had this since he's been 2 years old. We first noticed when he was on a rocking chair at a daycare and he fell back and hit the back of his head. He couldn't walk, my heart just dropped, I couldn't believe it. We just recently found out that his tumors are growing back and his tumors are a rare tumor that is only found in adults, only 3 percent of children have it. When I found out I cried for weeks and weeks, I don't know what to do, I don't want to lose my only son, he means the world to me. Jordan just came out of the hospital, he's been in there for 10 days, and now he has a feeding tube, because he keeps losing weight. We have been in and out of the hospital for 14 years now. Jordan can't walk no more, he has right side weakness he can't use his right hand at all and now after his surgeries, he has lost feeling in his lower area, and now he don't know when he has to go to the bathroom. The doctors say what Jordan has is a life threatening illness and they don't know how long he has to live. Jordan was in boy scouts and now that he got worse he is unable to stay in boy scouts, because he's not able to do what everybody else can do. Jordan loves hunting and fishing and were having a hard time getting him into the woods. So, we are looking for a action track chair, so it's easier for him and we want him to enjoy life while he can, because we don't know how much time he has, because he is getting worse, but it is costly and with him being in and out of the hospital and now going to Chicago for treatment for some research meds, that were hoping it works, we can't afford it, because only one of can work and the other person has to stay home with Jordan and take care of him. We are looking for donations to help pay for the chair. Anything would help, Jordan and us would really appreciate it. Please help our son enjoy life while he has it. Thank you so much.
